4. Short and plain statement of your claim (state as briefly as possible the facts of your case and how each defendant is involved. You may use additional paper if necessary):

MSC Industrial Direct provided false and misleading  
information to the U.S. Equal Opportunity Commission  
in the matter of an age discrimination charge  
case number 494-2012-00967 resulting in a  
dismissal of the case. The charge is age discrimination.  
False and misleading information provided  
by MSC Industrial Direct prevented the  
U.S. Equal Opportunity Commission from conducting  
a proper investigation. The instructions from the  
EEOC were to file suit in Federal Court if I  
wished to continue this matter and that is my intention.  
The actions of MSC have ruined my thirty year career  
in the industrial supply business.
